A Few of our Rental Policies (You will receive a full rental policy agreement with your reservation):

Damage Waiver: For security against damaged items, Party Smart Rentals automatically includes a nonrefundable damage waiver of 5% on all orders. Damage to any rental item viewed as excessive damage by Party Smart Rental staff will result in additional charges (the cost of repair or the full replacement cost of rental items) due immediately.

Reservations: An estimate does not reserve items. Invoiced items are reserved for you. Please let us know of any changes to your quantities as soon as possible to free up rental products for other customers. We work with you on your rental quantity numbers until 72 hours prior to delivery.

Payment: Payment is due the week of the event. Unless other arrangements have been made, full payment is due prior to delivery.

Linen Policy: Linens are delicate. DO NOT USE TAPE, GLUE or GLUE DOTS on linens and KEEP FREE OF CANDLE WAX. Please DO NOT LAUNDER LINENS after use. All linens need to be returned in laundry bags, dry and free of debris. DO NOT ROLL UP OR PLACE WET LINENS IN ANY OTHER BAG – MILDEW WILL RESULT.

Delivery: Our delivery fee includes delivery of your items and pickup. Delivery is either a day or two before the event unless the venue does not accept delivery early with pickup arranged with you. We work with most of the venues in the area and are familiar with delivery and pickup policies. Our delivery drivers do not do your setup except for dance floors and canopies which are included in your delivery fee. Our drivers will drop off items in a prior agreed upon location.

Emergency Services: Our hours are 9-5 M-F and by appointment on the weekends. We do not need to be in the office to service your needs. Please use email or our emergency number to get in contact with us. In the event of a party rental emergency (i.e. correct items were not delivered, items were delivered damaged, items are not working properly, problems with a tent, you need extra product) Party Smart Rentals does provide 24-hour assistance. Please call our office at 209.267.5822 for the recorded message with the phone number of the customer care representative on call.
